I ain't gonna write anything
good to you 'cause I'm so sick
of writing "Good Luck" "Best

I'm gonna tell you that you
hair is too long, you shouldn't
make goo-goo eyes at Mr. Rutkowski,
your Geometry class to bother me (who
bathes whom?), you shouldn't make out
with Jimmy so much (after all, he is such
an innocent boy (???) and going out with
a girl like you could ruin his (???) repu-
tation. And he is my first cousin
I think of our family pride. I'll
I'm coming near the end of the page so

SUPERINTENDENT

"TIME"

Time has a way of dragging with young people to the extent that, at times, a day seems like an eternity. Your four years in high school probably has seemed interminable to some of you. Later in life, when an hour appears to be only a few minutes long, you will look back upon your high school days and think of those four years as the best four years of your life.

We have tried to make those years profitable ones for you, and at the same time happy ones. Only time will tell whether we have been successful, and only you can be the judge of that success.

Leon A. Ryan

MR. RICHARD BRASSARD, Assistant Principal

Mr. Brassard along with being our Assistant Principal is also yearbook advisor, teacher, and Radio News Club director. With all his many time-consuming duties he can always find time to help us.

TIME

The past is present in the future. A great American man of letters once wrote "The every day cares and duties, which many call drudgery are the weights and counterpoises of the clock of time, giving its pendulum its vibration and its hands their regular motion."

It is our sincere hope that your high school years have helped you to learn one of life's most important lessons, the wise and profitable use of the priceless asset—time.

The Junior Class of 1962-3 has had a most profitable year under the leadership of Walt St. Lawrence, Judy Brennan, Linda Desmarais and Stuart Robinson.

Our various activities of the year were great successes, the variety show, "North Side Story," being a particularly prosperous achievement and the Sadie Hawkins Dance, "A Girl's Night Out," being most fruitful as the novelty dance of the year. Our Junior Prom, of course, was our crowning achievement. For one of the most productive of our high school years we wish to thank Mrs. Laliberte and Mr. Joy for their wise guidance and prudent counseling.

Scott Lockwood, President; Lorna Grimaldi, Vice President, Terry Perry, Secretary; Linda Abel, Treasurer

Under the capable leadership of Scott Lockwood, the Sophomore Class may well be proud of their achievements. The officers, Scott, Lorna, Linda and Terry successfully led the class in obtaining a creditable reputation among the student body at North Attleboro High School.

The class sponsored the Saint Patrick's Dance, the faculty basketball game and were well represented in the annual school variety show. With everyone contributing his talents both events were a brilliant success, with the faithful help of the class advisors Mrs. Waddicor and Mr. Kelly to help them over the rougher points.

We are certain that the Class of 1965 will continue to be a credit to North Attleboro and to their school.

The Honor Society, during the school year of 1962-1963, has tried to live up to its goals of encouraging scholarship, promoting service, and the development of character. Towards these goals it has continued and revised the handbook for freshmen, instituted the popular High School Bowl Assembly, and performed ushering and other services. Its financial ventures have included a dance and a soda bar at the Science Fair.

BAND

Under the expert guidance of Mr. Christianson, both the marching and concert bands enjoyed very successful years. Resplendent in their new, deep-red uniforms, the band presented snappy performances at each game. When concert season rolled around the same band, with a few changes, practiced diligently three times a week. Their labor was rewarded with a fine performance at the annual Spring Concert and an excellent rating at the Musical Festival.

The A Cappella Choir is a small group of thirty-two selected voices, whose melodic harmony is displayed throughout the school year at many school functions and at various church and social events. One of the most pleasant outings on this year's calendar was their trip to Sturdy Hospital where they sang Christmas Carols to the patients. Of course, their most awaited appearance is at the annual Spring Concert when the choir sings both alone and with the band. The townspeople look forward to this concert, anxiously waiting the good entertainment derived from listening to our talented A Cappella Choir, of which we are all very proud.

ACKNOWLEDGMENTS

ONE LAST LOOK . . .

With these most inadequate words it is our wish to publicly thank those who have been closely associated with the 1963 Northern Light. To these people, the student body in general and your co-editors in particular owe a debt of gratitude:

Mr. Brassard, earnest of effort and diligent of purpose, who served as our advisor,

The Administration and the cooperative faculty,

The many members of the Northern Light staff, who were so generous with their time and efforts,

Mr. Ferdinand LeGoff and the photographers of Loring Studio who photographed us endlessly,

Mr. Rowan of Taylor Publishing Company,

Those who advertised with us in this edition.
